

St Laurence Centre

Situated in the heart of the Borough of Lewisham, **St Laurence Centre** is a purpose-built community hub that has been serving the people of Lewisham and Catford for 50 years.

The Main Hall welcomes up to 120 people for a conference, performance, or reception; It has a fully equipped commercial kitchen so you can do your own catering, or use caterers.

The Jubilee Room and Coffee Bar can each hold up to 40 people. The Youth Room can hold up to 30 people.

All rooms have excellent natural daylight, and the Jubilee Room and Youth Room have good blackout curtains; there is step-free access to all parts of the building with access to facilities for making or serving refreshments. We have on-site parking and accessible toilet facilities.

We offer use of a basic projector, stand and screen; flipcharts and dry-wipe boards at no extra cost, and, we can offer basic refreshments at a minimal cost.

Prices are kept low to make this valuable resource available for local groups and local people (with substantial discounts available to registered charities), while the high standard of accommodation makes our unique venue suitable for professional and commercial organisations.

St Laurence Centre is also appropriate for religious ceremonies of all faiths.

We aim to give a relaxed but professional service to everyone who comes to St Laurence.
