

St Laurence Centre

Situated in the heart of the Borough of Lewisham, **St Laurence Centre** is a purpose-built community hub that has been serving the people of Lewisham and Catford for 40 years.

Recently refurbished, the central hall welcomes up to 200 people for a conference, performance, or reception; or 160 people seated comfortably at tables. It has a fully equipped commercial kitchen so you can do your own catering, or use caterers.

Other rooms can hold up to 50 people.

All rooms have excellent natural daylight, but with good blackout; there is stair-free access to all parts of the building with access to facilities for making or serving refreshments. We have on-site parking and disabled toilet facilities.

Prices are kept low to make this valuable resource available for local groups and local people (with substantial discounts available), while the high standard of accommodation makes our unique venue suitable for professional and commercial organisations.

St Laurence Centre is also appropriate for religious ceremonies of all faiths.
